

Linda & Michael Lin, China Team

This is Linda Lin. Linda and her husband Michael have joyfully become CSI Outreach Leadership Team Leaders. As CSI Secretary & Translator she has translated **CSI Bible Stories for All Ages Old Testament 1** and **New Testament 1** from English into the Chinese language. They together translate the CSI materials, format them with InDesign, put them into PDF, and send them to CSI ready for publication. Linda is a homemaker and Michael is a computer programmer. They have two children; a 3 month old baby daughter and a 7 year old son.

Yesterday CSI sent to Linda **Is God Calling Me?**, **Bible Stories for All Ages, Old Testament 2 & 3**, and **New Testament 2 & 3** to be translated.

We are very excited about this beautiful young family becoming a part of CSI. Mary and Tony from the Ukraine with Linda and Michael from China make up the 6th and the 7th CSI Outreach Leadership Team.

Dear Bill Davis,

Thanks so much for your e-mail.

Yes, Sister Sue Ann has told me earlier about translation of the Church Starts International materials.

I'm so honored to be asked about this. And I have taken look at materials, those stories and questions are so meaningful and important for new believers.

I browsed through CSI website this morning, what you have been doing is amazing. I'm touched by the God's calling is just as clear to you today as it was in 1994.

I have added you in skype, I am very happy if we can talk in skype. Thank you.

Love in Jesus,

Linda

She read a short email SueAnn sent her about translating. SueAnn talked to her before church and then she came to SueAnn after church and said she would like to try to do some translating for CSI.

From talking with her, about 50 years ago they began a dialect called 'common or simplified Chinese' on the mainland which all Chinese can read and understand; even on Taiwan where they speak Taiwanese and in Hong Kong where they speak Cantonese. This common Chinese is used in all the schools. Linda's computer will use this simple, universal Chinese.
